Buyer has, and retains, the right to assign these offset credits to third parties. Supplier agrees to assist Buyer, its affiliates and assignees, in obtaining offset credits in an amount equal to the value of a PO.

35. DISCONTINUED PRODUCT – Supplier will not discontinue Product without Buyer’s advance written consent.

36. Anti-Corruption – The parties shall comply with the Canadian Corruption of Foreign Officials Act and the US Foreign Corrupt Practices Act and the rules and regulations issued thereunder (the “Anti-Bribery Law”). The parties further represent to each other that they will comply in all respects with all applicable anti-bribery laws in connection with the performance under a PO. Specifically, each party represents to the other that it has not and will not, in connection with a PO and its performance hereunder, directly or indirectly, offer, pay, promise to pay, or authorize the giving of, any money or thing of value to any person, while knowing that all or a portion of such money or thing of value will be offered, given or promised, directly or indirectly, to a Government Official for the purpose of influencing any act or decision of such person, including any act or decision to fail to perform his lawful duty, or for the purpose of inducing such Government Official to use his influence with any government or instrumentality thereof to affect or influence any act or decision of such government or instrumentality to obtain or retain business. Each party agrees to indemnify the other party against all direct or indirect losses, liabilities, costs (including legal costs), charges, expenses, actions, proceedings, claims and demands which the other party may suffer through or arising from any breach by it of its obligations under this SECTION 36. The parties agree that, to address any concerns regarding Anti-Bribery Law as it relates to a PO, they will make financial records available to external auditors at reasonable times and upon reasonable notice. For the purposes of this SECTION 36 “Government Official” means any person who would constitute either: (a) a "foreign public official" or a "foreign official" within the meaning of the Anti-Bribery Law, including, but not limited to: (i) an individual who holds a legislative, administrative or judicial position, including a government minister, elected representative of a national or regional assembly, official of a political party, civil servant, magistrate or judge; or (ii) an employee, official, officer, agent, representative, or other person acting in an official capacity for or on behalf of a government authority, political party, party official or political candidate.

A PO can only be amended with a writing signed by both parties.
